

The APC Pandemic team continues to monitor community conditions related to the pandemic in order for us to gather as safely and as openly as possible for worship.

We have adjusted some of our safety protocols recently.

As a result of the surge in Covid cases and hospitalizations, we currently are in a pause for in-person gatherings. We hope to restore in-person worship and other gatherings soon. Gatherings including education opportunities, bible studies, council and committee meetings will be meeting by Zoom for the time being. Contact the church office for more information.

Thanks for helping us to show our love for our neighbors through these efforts to keep one another safe!
