

WARREN POINT PRESBYTERIAN CHURCH

Broadway & 17th St.
Fair Lawn, NJ, Broadway, Fair Lawn, NJ 07410

THE CHURCH IS SEEKING A QUARTER-TIME PASTOR to lead Sunday worship services, Moderate session meetings and provide home/hospital emergency pastoral care

Since our Pastor retired in January 2020, and through a Pandemic, our Congregation has worked diligently to continue serving and celebrating Christ. We have been utilizing Zoom for our services and are expecting to integrate more in-person, but masked worship soon. We hope our pastor will provide sermons that are inspirational and current, and who is comfortable in using new technology.

Our average worship service has 23 people. We are looking for leadership for new mission ideas that a small Church with eager Congregants can accomplish.

OUR MISSION is to: Nurture Faith in Jesus Christ to serve our Church, Communities and Families today, tomorrow and the future! Welcoming all to praise and worship Jesus Christ using our words, actions, and time to build up our Church, our families and our communities.

Members and visitors report that our Church makes them feel comfortable, loved, and supported. We all have our own stories about our time at Warren Point and how sharing with each other brings us closer together.

We are involved in many community projects including...

- A Prayer Shawl group that knits and crochets blankets for the sick, veterans and the hospitalized.
- St. Paul's, a local homeless shelter where we provide blankets, pillows clothing and toys for men, women and children throughout the year.
- Local food banks with a monetary commitment as well as food collections on a regular basis.
- In the late 1960's a member of our congregation started an AA and Alanon Group that is still continuing to meet at our Church to this day.
- Samaritans Purse/Operation Shoe Box.
- We have partnered with our nesting Churches to fulfill ministry projects for our local community and share services and fellowship together.

COULD GOD BE CALLING YOU TO THIS MINISTRY?
